AWARDS

2011 Judge's Favorites

Dance teams from all around the country submitted applications for the 2011 American School Spirit Award. While there can only be one [winner](#), there were multiple teams that exemplified outstanding achievements in a variety of areas. The Judges recognized a few of those teams with noteworthy submissions! Batavia High School is one of these **Judge's Favorites**:

Outstanding Parent Support **Batavia High School- Batavia, IL**

Batavia High School's application included quotes from parents of the dancers. We wanted to share some with you because it really shows how dedicated an entire family is to this outstanding program.

There is nothing else my daughter would rather be doing high school than dancing on the dance team. It is her passion.

I'm thrilled my daughter is part of a TEAM that gives back to the community; there's no I in TEAM.

Being on the Batavia Dance Team has been the highlight of my daughter's high school years. It has taught her to work hard, accept criticism, and proudly contribute to her school and her community.
